

Digital Business and Management

We are pleased to welcome you to study the Master's degree programme in Digital Business and Management at Novia University of Applied Sciences.

Schedule for Contact Studies

The programme is organized as full-time and part-time studies which will include onsite and online studies. The onsite studies will take place on **Thursday afternoon** and **Friday** once a month for part-time studies and every second week for full-time studies. The following is program of induction days in September 2023

Study Start

Induction into the studies will be held on September 6th to September 8th 2023. We will start on Thursday, **September 6th at 08:30 am in room R305**, 3rd floor. Place: Wolffintie/Wolffskavägen 33, Vaasa.

We recommend you to attend the introductory days so that you can meet staff, your classmates, learn about each other and get essential information that you will need to proceed with your studies. Don't forget to bring your original school and work certificates upon your arrival. If you have questions regarding your arrival in Finland, please check the links on the website regarding **general information for new students**.
