Vaccinations and test results required of incoming degree/exchange students

If vaccinations or tests are not adequate they must be completed in Finland and they are usually chargeable.

Some clinical placements are not able to accept students who are not vaccinated or have not a complete vaccination program.

Please complete and sign this form and take it with you when you meet with the public health nurse Emilia Heikkala at the student health care centre in Turku. Address: Hämeenkatu 10 3rd floor, phone number +358 (0)2 2661265
