Exhibitor & Sponsor Opportunities

14th international Coastal GIS Symposium

Online Conference from the 16th to 18th of September 2021

What is CoastGIS?

[CoastGIS 2021 Online Conference](#) - hosted by the Novia University of Applied Sciences in Raseborg, Finland - will be the 14th consecutive symposium for an international exchange of knowledge, ideas and experience on how spatial data and information technologies aid marine and coastal zone managers and stakeholders in better understanding and managing coastal space and resources. A wide range of topics have been covered in previous years covering technological advances and progress, and the evolving challenges.
